Dear Madam:

I am an attorney in the state of New York.

My Registration number is 424431.

Please reference index number 7738/2012. Capogrosso vs. State Dept of Motor Vehicles for which I was in litigation. A settlement agreement was reached on June 20, 2012. As part of this settlement agreement I was required to take an anger management course and upon completion of this course I was to be allowed to practice law in all DMV courts on an equal and unbiased standing with all other attorneys in the DMV.

To this date, I have been in complete compliance with all conditions as set forth as part of this settlement agreement.

However, the DMV has not upheld its side of this agreement.

on numerous occasions, I have been harassed, threatened and now currently my files are being tampered with while they are left unprotected in the attorneys room at the DMV at 2875 West 8th Street, Brooklyn, the principal DMV location at which I practice.

The threatening and harassment I have let go because I do not easily get intimidated nor harassed. But at this point my client's files are being tampered with and I must, as a attorney, object.

I provide the following in evidence:

- 1) On numerous occasions your security guard Dave Sparks has told me to go F___ myself (will provide proof upon request);
- 2) on several occasions your security guard Sparks has redirected other clients who come have looking for me specifically to other attorneys or has interfered with my conversations while speaking to a clients (will provide proof upon request);
- 3) your security guard Sparks has approached me, gotten in my face, stared and glared, I asked him what was the problem was and he told me I was the problem, F___ you.;

4) your security guard Sparks, has stood looked at me directly while I was standing on the DMV traffic line gave me the sign of the cross twice and directed a spear hand in my direction.

After several complaints to Administrative Judge Gelbstein, the Senior judge at the Brooklyn TVB, I called Sparks employer. Subsequently, your security guard Sparks was relieved from his duties at the Brooklyn DMV for two weeks (proof to be provided).

I have made numerous complaints to Judge Gelbstein. His response has been " a spade is a spade (his words not mine), he laughs and giggles.

Judge Gelbstein is either complicit, incapable or incompetent to handle this issue.

As I have stated, I have ignored these incidents and have attempted at all levels not to aggravate the situation.

I have been in countless courts in my ten years of practice as an attorney and have never seen such behavior in any court system.

As I have stated, I can defend myself and absolutely will, so to this point I have ignored these incidents.

However, at this point your security guard Sparks is entering the attorney's room and tampering with my files. I have asked Judge Gelbstein to look at security tapes and have gotten no response.

As an attorney, I must now object. I cannot have my files tampered with.

I do not want an incident on your floor, I do not want an incident in your courtroom, I have no reason to have any trouble with any of your employees at the Brooklyn DMV.

To date, I have been a perfect gentleman and in complete with all conditions as set upon me by the settlement reached on June 12, 2012.

The DMV has not upheld their side of this agreement.

All I ask is that they do so.

I do not seek to litigate but I will if I have to.

Please take any and all action to expedite and resolve these issues
